Notes:

My love of all things Atari did not make it in this puzzle. Sorry, Atari Lynx fans. I was trying to go to sleep when I thought "Lynx" would make a good "26 Squares" word. Then I thought of "quartz." So I combined the two, and stayed up and completed it. Also, this is the first puzzle with nine words, more than the usual seven or eight, yet still compact enough to fit into an 8x8 grid.
